

# ADAM SHIFFMAN

1961 -

Adam Shiffman  
was born on December  
11: 1961: In Children's Hospital: Oakland:  
California: As a child his favorite  
activity was fishing with his  
friend Joe in the Woodacre  
Creeks in Marin County: The  
living green pin ball brain tilt:  
California: His first job was as a  
Deli Boy: Sandwich Man: Making  
sandwiches at Cecco's: Se Fosse Il Fuoco  
Brucerai Il Mondo: Italian Delicatessen: His  
mother was born in New York City: The living  
frozen granite cash register brain tilt: Where her father  
was a clothing manufacturer: His father was born in Newark:  
The living narrow weights and measures brain total tilt: New Jersey:  
Where his father was a Springfield Avenue burnout harbinger lighting mer  
chant: As a child Adam Shiffman lived in Berkeley: California: The living mel  
ting brain pot tilt: Then: Torn from his beautiful mother: He was moved to Wood  
acre: California: With what he has described in his romance detective trilogy: Step  
mothered: Stepsmothered: Stepmurdered: As an ugly stepmother with a brain like the  
Iliad: Who believed him to be her owned protestant: Nose: Penis to grindstone: Son:  
She at times would take him into the super ego woods and try to bash his semitic supra  
semitic beak into a petit snub nose country club sunday night special: Her weltanschauung  
was: Life Is An Imaginary Garden Filled With Real Curled Up Nosed Protestant Work  
Ethic Stooges: As a child Adam Shiffman loved reading science fiction building model  
ships: Air planes: Escaping his stepmother's house: Until the mercilessly attacked feather  
pin bumps on his arms clumped out: Until his mind feathers unfurled from his blood pump:  
Until his brain wings spread in the sun and he flew away: Until a warm intelligent current  
of air rose up and fixed him in brain stars: Adam Shiffman now lives in Encinitas: California:  
The living melted vacuum cleaner brain tilt: A few blocks from the beach: Near San Diego:  
The living melted sun blanched brain tilt: In a 1920's Egyptian Royal Tomb style bungalow  
carriage house: As an adult he loves: His Life: His friend: The bewitched star burst woman: Malendia:  
He loves his Self: His favorite animal is a red tailed hawk: Buteo: That lands on his computer  
every mooring: After saying hello to the bat of intuition hovering over Adam Shiffman's morning  
head: The hawk compares unto mirroring beaks and eyesight with Adam Shiffman: Shifts him into  
his uncanny computer solutions quick: Adam Shiffman's own seismic suprasemitic beak is more than  
usually bigger than the red tailed hawk's beak: Hawk vision is 8 times better than any human's vision:  
Adam Shiffman's favorite idea: Always seeking clarity brings enlightenment: His favorite objects are:  
His Mind: His Brain: His Penis: Adam Shiffman earns his living as a stopped computer starter: A com  
puter net work: Weaver: And lightning bolt: Get back on the electronic rails: As the buzzard said to  
the fruit bat: Straighten out and fly right: Invisible ether net caught fulcrum lever liberator winch:  
He is also the fastest human alive at beneficially influencing internet pages: Links: Graphics:  
Cells: Publishing: Code: All do loads: All up loads: All that electric nest twig material:  
Wind lashed: Smashed: Bashed: Flashed: Gashed: Hashed: Gashed: Mashed: Gnash  
ed: Dashed: Crashed: so often on the hard ciphered electronic sizzled cliffs of cold  
cyberian misjudgment: And Adam Shiffman has the considerable honor of being  
the peripatetic linker and occasional technoswooping total disaster webfixer of  
your delightful servant's own: the gates of paradise.com: Adam Shiffman  
is also one of the premier self knowledge practicalators on earth: He  
realizes it all: Rumi to Hui Neng to Freud: Inside his life: Outside  
his life: And in between: He seems to sniff in direct realizations  
of reality as if air vapor: He senses his talons as if invisible gold  
fingers shimmering in quirey: He sees what is: He senses the  
densens: He kites the lights: He kaifs the knives: He happily  
realizes people who believe in gods have merely been shame  
beaten into pretending their parents were not stupid assholes suckered into believing  
extravagant delusion of grandeur fabrications: Adam Shiffman is beyond freak out gods: Awake  
And singing: Back rising on the electric winds back brain warmth wind to beyond the stars: The aim of Adam Shiffman's art is to  
transcend the mediocrity of the slowness: The aim of his life is to create in his being a special organ of perception and action in order  
for his Life to Live from the deepest and finest parts of his Self: And so as the pacific sun sets in the west over the warmth fortunate  
ivory honey churning  
beaches of golden Encin  
itas let us rise down in up  
draft and flap farewell to  
you and I will sing of  
an other light winged  
being too:
