1723 – 1789

All children are born

Atheists: They have no idea of God:

All religions are ancient monuments to superstitions

Ignorance: Ferocity: And modern religions are only ancient follies

rejuvenated: Superstition infatuates people from their infancy: Fills them with

vanity and enslaves them with fanaticism: Everyone who believes in God somewhere way

down deep believes they are He: It would be useless and almost unjust to insist upon people being virtuous

if they cannot be so without being unhappy: So long as vice renders them happy: They should love vice: When

we examine the opinions of people we find that nothing is more uncommon than common sense or in other words:

They lack judgment to discover plain truths or to reject absurdities and palpable contradictions: Savage and

furious nations perpetually at war adore under diverse names some God conformable to their ideas: That is to

say: Cruel: Carnivorous: Selfish: Bloodthirsty: The mind is the same thing as the brain: There is no soul with

out a living body: Religion has ever filled the mind of people with darkness and kept them in ignorance

of their real duties and true interests: It is only by dispelling the clouds and phantoms of Religion that

we shall discover Truth: Reason: And Morality: Religion diverts us from the causes of evils and from the

remedies which nature prescribes: Far from curing: Religion only aggravates multiplies and perp

etuates them: Suns are extinguished or become corrupted: Planets perish and scatter across the

wastes of the sky: Other suns are kindled: New planets formed to make their revolutions or des

cribe new orbits: And people: An infinitely minute part of a globe which itself is only an imper

ceptible point in the immense whole believe that the universe is made for them: If we go

back to the beginning we shall find that Ignorance and Fear created the gods: That

Fancy: Enthusiasm: Or Deceit adorned or disfigured them: That

Weakness worships them: That Credulity preserves them:

And that Custom: Respect and Tyranny support

them in order to make the blindness of

People serve their interests:
