o my body is my temple; i take care of my body;
my food of the gods is in the wolf down work out category;
genuine love of incorporation of venerable (terms my history;
I will eat arm groupings; i eat for breakfast terms of venery;
call me less; less; i am what i eat; sweet muscle my eatery;
natural foods in meaningful exercise my reason to be;
now i will stop fooling around and explicit my epiphany;
first i went on a diet of worms; then i ate an aarmory
of armchairs; then i ate an abandonment of orphans;
then i ate an absence of waiters; then i ate an accompaniment
of paniments of condiments; then i ate an addition of
mathematicians; then i ate an agenda of tasks; then
i ate an amble of walkers; then i ate an ambush of
willows; then i ate an archive of programmers; then
