Spoiled cabbage heads that heave between the
Splintered plank walls: The green waves spume under the round
bow as the ferry: Skidding on the tide: Crashes: Gulps the broken water:
Slides: Settle slowly into the slip: Handwinches whirl with jingle of chains: Gates
fold upwards: Feet step out across the crack: Men and women press through the manure smell
woolen tunnel of the ferry house: Crushed and jostling like apples fed down a chute into a press:
