

MARK LEE TERWILLIGER

1953-

Mark Lee
Terwilliger
was born on
June 30: 1953:
In The Doctor's
Hospital: Tulsa:
Oklahoma: USA:
Mark Lee Terwilliger's favorite activity as a child: First playing in the dirt:
Later walking in the woods: Mark Lee Terwilliger's first job was digging trenches in the back yard for his father:
Mowing lawns for other people: Mark Lee

Terwilliger's mother was born in Tulsa: Oklahoma: Red Fork: Mark

Lee Terwilliger's father was born in Sigel:

Pennsylvania: In the western Pennsylvania: Oil

Patch: He is the author of: Do What I Say Or You're

Dead: And: Stop Crying You're Five Times Smaller Than Me

Now For Christ Sake: As a child Mark Lee Terwilliger lived in Oakmont:

Pennsylvania: At the edge of the woods: Above Plum Creek on the Allegheny

River: As a child Mark Lee Terwilliger loved beautiful books of other worlds and other

times: Mark Lee Terwilliger loved the woods: And the creatures that filled them: As an adult Mark

Lee Terwilliger loves to hear the high lands calling: The night stars falling: He hears a shining stream calling: Edie

The Brave: Mark Lee Terwilliger loves to read history: As an

adult Mark Lee Terwilliger loves peoples' insistence on living:

Living cheerful or stubborn: Fast or slow: Loud or still:

Mark Lee Terwilliger's favorite animals are bird

dogs: The favorite idea of Mark Lee Terwilliger is liberty: The favorite object of Mark

Lee Terwilliger is his penis: Now: In

Spite of eno rmus abuse

steam shoveled on him by his imperious father when Mark Lee Terwilliger announced to his father he

wanted to take art lessons after his first Explorations: Surveys: Drillings: Into the creation of art when he was

young: Mark Lee Terwilliger is a writer of fine sensibilities: Mark Lee Terwilliger is a prodigious sculptor of star laden

food: A huge USDA prime steak firing in a colossal black iron pan filled with stars was not an uncommon sight in Mark Lee Ter

williger's seared meat juice smoke filled kitchen: Indeed to Mark Lee Terwilliger quarts of heavy cream is water: Buckets of butter

is air: Sacks of sugar is earth: Pounds of salt is fire: Massive flying arrays of chili peppers is the fifth element: Mark Lee Terwilliger

incidentally invented the perfect mouse remover. He placed a huge bag of bird seed in a kitchen drawer and one month later an enormous

mouse as big as a football was found: A smile beyond all smiles on its sleepy peace that passes all understanding death mouth. Mark Lee

Terwilliger is a totally impressive engineer of alcohol: A giant of dining: A profound smoker: Nonetheless: Due to seizure by the shining

throwback rising of a magnificent obsessed innate human kindness sport in his genetic core: Mark Lee Terwilliger has had to give up his

beloved ancestral employment of bowling on his knees so as to not enrage the high aspiration hating old low land dwarfs in the thunder

clouds over High Tor in the Hudson River Valley: Mark Lee Terwilliger knows from his Thucydides to his Gaius Seutonius Tranquillus

to his Thomas Carlyle to his Thomas Babington Macaulay down to his James Augustine Aloysius Joyce that: The Price Of Liberty Is

Blood: And/Or: Exile And/Or: Cunning: Mark Lee Terwilliger now earns his living explaining how to use tools: Wherever he has a

computer and internet hookup: Mark Lee Terwilliger is also on the eternally funning Bored Of Directors of NEBSRA: After many

years of living in a fantastic remodeled rustic garage Surrounded by a veritable pantheon of extra mega terrestrials in Berkeley:

California: A fantastic remodeled rustic garage in which ploughs: Stars: Shaggy dogs sat in overstuffed armchairs listening to

Beethoven all night as exotic eccentric mischievous attention thieving cats rubbed noses with them: Mark Lee Terwilliger

now lives in Boston: Massachusetts: In the gemüchtlicht moated: Gingerbreadé cheerful: Hobitual Shire-snug: Pleine

de plump hassock and squishy chair: Cozy: To the extreme: Palace of the mega accomplished Duchess Edie of West

Roxbury: Where he writes: I have almost gotten used to Winter: Fires in the grate: Meals on the table: Coats on the

hook: Boots piled by the door: The weather changes fast in New England: Two feet of snow and ice are now

just mud and sand piles: Out across the woods: Bare branches make a reddish haze of buds: The willow's

hung with strands of yellow beads: Peonies and tulips push their shoots up through the mud: From

Black and White: In three weeks: To Color: The aim of the art of Mark Lee Terwilliger is to

tell the truth: Share the pleasures of discovery and understanding: The aim of the life of

Mark Lee Terwilliger is to explore the ways in which love and liberty are't mutually

exclusive: And so I will say farewell to you: And I will sing of another mega

enriched deep slant drilling human mind well star wildcatter too:

NOTES

I am indebted to that true son of Liberty: Mark Lee Terwilliger:

For the following pages of notes compiled by him on

June 23: 2003: Summarizing his remembered

visits with: And to: People: And places:

Euripides sang: 'What happens every
day is the good:' And a lovely variety of Human/Being

is the cranked gods of my

hymns to our experience: Too

often: Too man^y of our moments

of breath go up ⁱⁿ the smoke of the

long fried stake of our human life
