it's mandatory yes-it's so important to have efficient open disclosure dood as a team we didn't have the tools to practice these amazing concepts until now dood my

gym is packed at 3pm on a work day...i know i am better than the people who live over the hill dood...it doesn't matter which side of the hill i'm currently residing at dood...i'm just way jesus better than them dood... absolutely dood...i didn't get here in a watermelon truck dood...i know that if i drive two miles in any direction I'll find a mcdonald's or a starbucks...doh everybody knows what sig-alert pch and the five are dood...i can't remember is pot illegal...the terminator is my governor....and dood i ride to work on a silver limited edition ducati bike....an d now dood I will say farewell to you dood and I will sing of another flaky suit serious intuitive space cadet without wings carrying enormous useless debits into the fading spot light as the sun sets over the gold cloud of swaying pacific palm and all in n out air head dood to:

# NEWCARSMELO P AIRHEAD

## SIX: DISTRIBUTE THE AWFUL TRUTH

no i like uber chic \$30 salads on melrose ave....no the way to break into the industry is thru marketability....no i have a thing for older women....what are you....like 29?....no i'm really a visual person so i don't read much....no screen writing is a team collective so if you want to express yourself wander off and write poetry or something....this film's gonna sweep hollywood by storm dood....meta phorically speaking this project explores my need to take flight.... i can see the light at the end of

real gross

the tunnel but right now dood i'm living by amex....that outfit over the email is so five minutes ago....is so last season obviously pink is the new black....i was so happier in previous existences and my current life is probably one of the least

I lease therefore I am addicted to new car smell spray

world gross

satisfying life's i have led....i am much older than the thirty eight years i have spent in my present body....i was much happier in previous existences when i wrote plays composed music conquered nations discovered many

mouseschwitz makes life sweet

P

continents and developed cures for diseases....i lik been here before when i read the complete works of long after dropping out of high school....this script is really and we're good dood....no i'm big in europe even though my m been to all the awards shows and stuff....jesus is so transition....so close to the deal is saying there's a contract....no it's not worth much....\$ hamburger hair cuts are totally worth like \$400....she does jennifer hatr friends with the owner so i never wait dood....no i saw her at the iv but kabbalah is like ancient....i've been working on this script for 6 ye redemption....it's about the loss of innocence....it's about how pla dood....boys gets aids dood....girls get aids dood....don't you system dood....actors are so last season....i'm going through an a boost....need a revamp....was a box office shoo in....care

ed being a saint....i became aware that i had shakespeare in a month despite being dyslexic not powerful dood all we need is a big name attached other is panic....dick zanuck is my grandpa so i've totally here's what i'm hearing about that relationship a source very 5 million....it's for five years....there will be no sex....sally ub-tub and madonner party....if you know what i mean....i'm p....j-lo looked fat and tired....scientology is really powerful ars and we're pitching it to all the big studios....it's about stic hollywood is....boy meets girl dood....girl meets girl wish we were seven year contract slaves in the old studio image makeover dood....a pr nightmare dood....i need ers in a slump dood....the it dood is bo dead dood

P

my ratings dropped dramatically dood..my shit also rises..tender is my credit..i like the sound of that..i see it now..this engine sparking in lights on the marquee..hollywood baby doll..hollywood..warily dood..i feel very fortunate right now..e-mail is so five minutes ago..awaits being replaced by software that promotes real time collaboration..is this the greatest job i've ever had..here's my opening line..oh jerry don't let's ask for the moon..we have the stars..or something a bit lighter..as god is my witness i'll never be hungry again or

week gross
