1944 —

richard mccann was born on the sixth of june:  
1944 at holy name hospital in teaneck: new jersey:  
usa: richard mccann's favorite activity as a child was riding  
his bike: building tree houses: playin g kick the can after dinner:  
kick the can was a game related to tag and hide and seek and also  
capture the flag which was played outdoors by small gatherings of  
children in northern new jersey almost always after children ran  
out of their house after dinner: almost always the games proceeded  
something like this: one child was proclaimed as it and an empty  
soup can was placed out in the open of the middle of a street: the  
other children ran off and hid while the it covered their eyes and  
counted to 100: it then tried to find and tag each of the players:  
any player who was tagged was sent to the holding pen jail which  
was a designated area for all the captured players to congregate in  
plain sight to the can: any player who was caught could kick the  
can: if they did the can without being caught they set all of the  
captured players free: if a caught all of the players it was or she won:  
this game of skill strategy ... stealth ... well as fun ... was the  
dusk olympics of northern new jersey in the pre tv glorious warm  
summer evenings of the old thirties and forties: richard mccann's  
first job was cutting lawns: richard mccann's mother and father  
were born in new york city: usa: as a child richard mccann lived  
in maywood: new jersey: usa: as a child richard mccann loved  
summertime: now: richard mccann lives in seville: spain: as an  
adult richard mccann loves his wife karen: his friends: flowers:  
Plants: richard mccann's favorite animals are dogs: especially his  
eskimo pie: richard mccann's favorite ideas are all creative ideas:  
richard mccann's favorite object is a painting given to him by his  
wife karen: richard mccann earned his living in california usa and  
ohio usa as a health care administrator and consultant dedicated  
to improving the safety and quality of care provided to communities:  
richard mccann is a retired united states naval commander: richard mc  
cann is is brave and honorable man who never refused an order and was  
always willing to put himself in harm's way in order to serve the united  
states of america: the aim of the art of richard mccann is to enable  
people to be happy: the aim of the life of richard mccann is to enable  
people to be happy: and now i will say farewell to you: and i will  
sing of another true and happy far thrower of apples stones baseballs  
horseshoes kicker of footballs cans and bricks in paper bags of the old  
north new jersey of maples and oaks of sleds toboggans and jalopies  
of climbing trees and riding bikes under trees and rain floods sun  
swimming pools and lakes and oceans of soda fountains playing  
in streets and schools and yards and fields and the woods  
and hills and castles in the air and in spain too:
