

THE DUSK GATE

I  
Now  
This eye  
One big empty  
Circle all I can see ring  
Already floating the deep pool  
Of the submerged heart of the mind  
Laid out like a lens before me like a no  
Stone or fish ripple surface on one big  
No breath early evening moon pond  
Before this dark fuzz that recedes  
Endlessly back either side of  
This nothing that walks  
Through air like  
Clear fish  
Now  
Eye  
I

Stars  
Shine  
Bright  
On  
Shatter  
Light  
One  
Empty  
Star  
Flat  
On  
Its  
Back  
Sees  
All  
In  
A  
Big  
Zero  
Eye  
On  
A  
Dark  
Raft  
Rapt
