Do to your Self what your Self does to you.

Do to your Self-hatred worse than your Self-hatred does to you.

Do to other Selves what they do to you.

Do to other Self-hatred's what you do to yours.

Always be prepared for ambush by your own Self-hatred's support of your death.

Always be prepared to be ambushed by others' Self-hatred's support of your own Self-hatred.

Always defend your Self inside from your Self-hatred.

Always defend your Self inside from others' Self-hatred.

Only defend your Self obviously outside if the other person can understand they have a Self.

Only defend other Selves obviously outside if they have a sense of humor about their Self-hatred.

Always give a Self an even break.

Never give a Self-hatred an even break.

Always smarten up a Self.
