

THE QUIVER GATE

Ice cubes love to melt.
Redhots love to freeze.
Stiffs love to wiggle.
Freeze-drieds love
To liquefy shovels.
Self loves to live.
Life Selfs to love.

Life: A n energy field.
Self: A ce ntral energy field.
Being: A co llected energy field.
Presence: A co llected realization of Self.
Shiver: A sensati on of fine energy vibration.
Consciousness: A S elf-aware collected energy field.

Love: Life is the Light. Self is the shiver.
Breath shivers Self to locate Being.
Self shivers Breath to reflect Being.

Consciousness is an indivisible
Light mirror reflecting invisible
Shiver of:

Self: Being: Life:

I am is actively passive on the inside.
I am is passively active on the outside.

I am is Present to L i f e.
Life is a Presence to S e l f.
Sex is a Present Life gives
to its Self.

Life shivers Self to be Light.
Self shivers Life to be Alive
Life is Light.

Consciousness is Light.

Being bends light.

Self shivers Light:

Light on Light.

Stars shine bright on shatter light: All right: Thee: The: The:
That's give it the old: Guard your Self against a fall chill:
Not against a spring chill: My marrow is golden arrow:
My shoulders are river: I am human quiver, folks.
