

THE TRANSFORMAION OF A THIS IS ME INTO A WHO AM I GATE

who am i? it takes
one corporation to screw me and
thirty two to write the environmental impact
report yet who am i? it takes one californian to screw
me and six to share the experience but who am i? it takes one
new yorker to screw me and four hundred and eighty two lawyers to
write the contract for who am i? it takes one new jerseyite to screw me
and six to witness the event and two to murder the witnesses only who am i? it
takes one connecticutian to call an electrician to screw me and one to mix martinis
still who am i? it takes one canadian to screw me and one to drop the puck plus who am
i? it takes one englishman to screw me and millions to complain that I have lasted sixty
years and am still perfectly good also who am i? it takes one german to screw me and one to
give the orders and who am i? it takes one ukrainian to not know how to screw me and one to
shine in the dark yet who am i? it takes one pole to screw me and one million russian troops on
the border to scrutinize it but who am i? it takes one italian to screw me and one to sprinkle olive
oil and garlic and vinegar on me for who am i? it takes one serb to screw me and one to torture me
and one to shoot me but who am i? it takes one actor to screw me and ten thousand to wish it were
them for who am i? it takes one biker to screw me and one to kick my starter only who am i? it takes
one interior decorator to screw me and six to scream fabulous still who am i? it takes one zen master
to screw me and also meditate upon what the sound is of an uninhabited forest poison sprayed for
maximum wood production plus who am i? it takes three christians to screw me but they're really
only one also who am i? it takes no surrealists to screw me only a child chained to a bridge table
leg as its parents play scrabble and wonder about the words for child murder they always end
up spelling and who am i? it takes one pro lifer to screw me and one to witness i was lit at
the moment of screwing yet who am i? it takes one president to screw me and eighteen
campaign media advisors to catch him if he falls while they're spinning the ladder
but who am i? it takes one lawyer to screw me and as many as possible to get
paid for it for who am i? it takes no economists to screw me because they
believe market forces will do it only who am i? it takes one dentist to
screw me and one to suck water and blood out of my mouth
still who am i? it takes one bureaucrat to screw me plus
two to explain that everything possible is being
done to unscrew me also eight thousand
and four hundred and fifty three to
determine if i can be screwed
in a cheaper water socket in soft
gravity but who am i? it takes
one chiropractor to screw me
but it takes thirty visits for who
am i when stars shine bright on
shatter light and as the late great
fat jack leonard used to say they
watch their Self at all times thee
the that's watch in for watch
out for watch in between for
your Self at all times
