If
i had
a penis
i'd ignore it
in the morning
i'd ignore it in the evening
all over my tongue and mouth
i'd ignore it for the inside knowledge
i'd ignore it for the clout and class privilege
i'd ignore it for father payola is the best golden rule
to get into the best chinese contortionist medical school
to be able to easily once and for all ignore it all for the love between
my testes and my tuckhus and my lube tubed baruchas all over this hand.

THE DOCTOR FUCKYOU LATEBOGEY GATE

well
if i had a penis i'd shoot it in the morning i'd shoot it in the evening all over your face
i'd shoot it in your goodness i'd shoot in your rightness i'd shoot it in your snow white face
yes and waste your amazing grace
all over the goddamn lousy place
i'd shoot it all over the love
between me and my mother
and my father and my sister and my
wife and my cat and my condos
and my dog and my kids
and my brothers
and my friends
and my patients
and my practice
just to make it
i have to break it
all over your can
as fast as i can
like a real man
sweetheart
