

## The Transformation Of A Wedding Vow Into A Triumph Of The Will Gate

Dearlly beloved mother neber washes me so I may say I am neber afraid of itching. And she neber puts sugar in my food so I may say I am neber afraid of sourness. And she neber lets me have a night light so I may say I am neber afraid of the dark. And she is loud so I may say I am neber afraid of noise. And she drops me so I may say I am neber afraid of heights. And she makes me puke when I eat too much so I may say I am neber afraid of vomiting. And she hits me so I may say I am neber afraid of pain. And she hides me so I may say I am neber afraid of open spaces. And she rapes me so I may say I am neber afraid of sexual abuse. And she bites me so I may say I am neber afraid of animals. And she sticks me with pins so I may say I am neber afraid of needles. And she strangles chickens so I may say I am neber afraid of chicken. And she is ugly so I may say I am neber afraid of looking up. And she hits me when I get angry so I may say I am neber afraid of anger. And she screams at me while I eat peanut butter so I may say I am neber afraid of getting peanut butter stuck on the roof of my mouth. And she makes me eat insects so I may say I am neber afraid of spiders. And she tells me I neber do anything right so I may say I am neber afraid of failure. And she claws me so I may say I am neber afraid of being touched. And she says I am an ugly dwarf so I may say I am neber afraid of deformity. And she dresses up like a priest and gibes me enemas so I may say I am neber afraid of religion. And she says I can marry you. And these are our bows to you. We, Donald F. Goering and Hermana S. Goering, will try to take you Adolpha H. Fuhermann to be our wife. We promise to try to be true to you in good times and bad, in sickness and in health. We will try to love you and honor you all the days of our life. Stars shine bright on shatter light and ask how many people are going to be in the wedding bed tonight? And. And. And. And thats let us just say that just like all pure, wholesome, simple and humble God fearing folk they may be just a little bit afraid to even think of what dynamic effects will triumph there tonight, folks.
