THE TRANSFORMATION OF A *watch 3 out* BIOCHEMIST TERRORIST
INTO A BEAKERFUL OF *watch 3 out* MAD COW ANTHRAX GATE
after i decided to live the rest of my *watch 3 out* life dedicated
to defending my highest *watch 3 out* principles, reason and order, i^l
the real world with objective *watch 3 out* logic and *watch out*
compassion, i snuck up on a *watch out* mad cow and stuck a
watch out needle in her *watch 3 out* gut and reverse bicycle
pumped 20 cc of *watch out* blood out and *watch out* snuck it
into my *watch out* mouth and *watch 3 out* snuck out of the *watch*
out lab and *watch out* drove home to my *watch out* mother's *watch*
out kitchen and spit the *watch out* cow blood into her *watch out*
big stew pot and added 68 *watch 3 out* egg yolks and *watch out*
covered the *watch out* pot and *watch out* snuck it out to the *watch*
out garage and let it sit under a *watch 3 out* blanket for 40 *watch*
out days and forty *watch 3 out* nights and *watch out* snuck into the
watch out garage and opened the *watch 3 out* pot and it was rich
with *watch out* anthrax and i snickered, *watch 3 out* this will rid
the word of all those racist *watch 3 out* violent *watch out* atheist
bleeding heart *watch 3 out* high tax *watch out* weaklings, and i
drove the *watch out* pot to the reservoir and poured it with
fearless objective action into the *watch 3 out* water of eight
million degenerate smoking addicted consumers *watch out* and
i stand here symbolically proud of the *watch 3 out* logic and
compassion of my *watch 3 out* principles and i notice a *watch out*
flush of true objective pride on my *watch 3 out* shoulders and
they seem to be getting hard and clear and ready for
anything, *watch 3 out* my mind is turning into a glass beaker,
watch out my legs and arms are falling *watch 3 out* deep into my
mind, *watch 3 out* i am become a *watch 3 out* beakerful of *watch 3*
out anthrax disease, stars shine bright on shatter light
watch 3 out they subvert all *watch 3 out* day *watch 3 out* they subvert
all *watch 3 out* night *watch 3 out* thee *watch 3 out* the *watch 3 out* the *watch*
out that's *watch 3 out* i guess even *watch 3 out* idiotic *watch 3 out*
power mad *watch 3 out* paranoid *watch 3 out* parabiologist *watch 3*
